# Blackboard Ultra Faculty Training Opportunities

***Be More on the Ultra Train!*** During the Spring 2024 semester, we will offer multiple opportunities for faculty to learn Blackboard Ultra. Any faculty member, regardless of discipline, can join. Please read the descriptions below and register for the session you'd like to attend. Registration **required;** space is limited.

## REGISTER HERE FOR ANY SESSION

### Self-Paced Online Course

*Our self-paced and asynchronous online course is designed to empower you with comprehensive knowledge of Ultra. This training covers key aspects such as Ultra Base navigation, fundamental principles of courses content building, effective grading strategies, insights into gradable items, a focus on accessibility considerations, and an exploration of the role of Artificial Intelligence in enhancing the learning experience.*

### A new session begins each Monday. The self-pace course on average takes 20 hours to complete.

- Monday, March 25, 2024

- Monday, April 1, 2024

- Monday, April 8, 2024

- Monday, April 15, 2024

- Monday, April 22, 2024

- Monday, April 29, 2024

- Monday, May 6, 2024

- Monday, May 13, 2024
